

THE BODY BEAUTIFUL

Edie's Magic Mirror

Drew Barrymore will tackle the role on the big screen, and Christine Ebersole mastered the part onstage, but nothing shines quite like the real Bouvier Beale. A celebration of documentarian Alfred Maysles, whose credits include *Gimme Shelter* and *Grey Gardens*, includes a photographic exhibition and related screenings and events. At left, "Little Edie" herself is the main attraction in a series of telling "cinemagraphs." Through March 15 at Steven Kasher.
