Own This City

Your perfect weekend

Saturday, Sept 18

Can you be nostalgic for a time that you didn't experience? We're not entirely convinced, but "**Max's Kansas City**," a new exhibit at Steven Kasher Gallery (521 W 23rd St between Tenth and Eleventh Aves; 212-966-3978, stevenkasher.com; Tue–Sat 11am–6pm; free; through Oct 9) does make us wish we were alive and partying in the 1960s and '70s. The show features behind-the-scenes shots from photographers like Bob Gruen and Anton Perich that document the famed nightclub's numerous and awesome denizens. (Andy Warhol, **Debbie Harry**, Lou Reed and David Bowie were among the regulars.)
