## LOVE & HAIGHT

Actors playing hippies in "Hair" are stirring crowds at the Hirschfeld Theatre, but you can also get a look at some real hippies at the "Elaine Mayes: Haight-Ashbury Portraits" exhibit at **Steven Kasher Gallery** (521 W. 23rd St.; 212-966-3978). Her photos look at the San Francisco neighborhood in 1968, a year after the "Summer of Love." Admission is free Tuesdays through Saturdays through May 9.
